S. B. No. 35—Conference Committee Report On.

Conference Committee Room,
Austin, Texas, March 17, 1925.

Hon. Barry Miller, President of the Senate, and Hon. Lee Satterwhite, Speaker of the House of Representatives.

Sirs: We, your Conference Committee, appointed by your respective bodies to consider S. B. No. 35,

A BILL**To Be Entitled**

An Act to amend Article 6901a of Chapter 1, Title 1119 of the Revised Statutes of Texas of 1911, as enacted by Chapter 29 of the General Laws of the Fourth Called Session of the Thirty-fifth Legislature, and as amended by Chapter 98 of the General Laws, Regular Session of the Thirty-sixth Legislature, and as amended by Chapter 184 of the General Laws, Regular Session of the Thirty-eighth Legislature, being an Act to change the designated year upon which is based the assessed valua-

tions of taxable properties affected by the Act to be amended, and relating to the compensation of county commissioners; repealing all laws and parts of laws in conflict herewith, and declaring an emergency."

Have had said bill under consideration and beg leave to report that we have reached an agreement as to said bill. Said bill under the caption and body thereof as agreed to, follows:

"S. B. No. 35,

A BILL**To Be Entitled**

An Act to amend Chapter 184 of the Acts of the Thirty-eighth Legislature, being S. B. No. 268; changing the year upon which is based the assessed valuation of taxable properties affected by the Act to be amended; relating to the compensation of county commissioners, and declaring an emergency. Be it enacted by the Legislature of the State of Texas:

Section 1. That Article 6901a and Article 6901d of Chapter 1, Title 119 of the Revised Civil Statutes of the State of Texas of 1911, as enacted by Chapter 29 of the General Laws of the Fourth Called Session of the Thirty-fifth Legislature and as amended by Chapter 98 of the General Laws of the Regular Session of the Thirty-sixth Legislature, as amended by Chapter 184 of the General Laws of the Thirty-eighth Legislature, be, and the same are hereby amended so as to hereafter read as follows:

In counties having the following assessed valuations, respectively, the county commissioners of such counties may each receive the annual salaries herein specified, to be paid in equal monthly installments out of the general funds of the county:

Assessed Valuation.		Salary.
\$ 7,500,000 and less than \$ 10,000,000		\$1,200.00
10,000,000 and less than 12,500,000		1,500.00
12,500,000 and less than 20,750,000		1,800.00
20,750,000 and less than 25,000,000		2,000.00
25,000,000 and less than 30,000,000		2,250.00
30,000,000 and less than 100,000,000		2,400.00
100,000,000 and over		3,600.00

In counties having an assessed valuation of less than \$7,500,000 each county commissioner shall receive five dollars per day for each day served as commissioner and when acting as ex-officio road superintend-

ent in his precinct, not to exceed one thousand dollars in any year. In counties whose assessed valuation is \$100,000,000 or more, said commissioners shall devote their entire time to the duties required of them by law

and such other duties as their commissioners' court may require of them. "Assessed valuation" means the total assessed valuation of all properties as shown by the tax rolls certified by the county assessor, approved by the commissioners' court and approved by the Comptroller, for the year 1924.

Sec. 2. The fact that the county commissioners in a great many counties in this State are at present inadequately paid, thus hampering their efficiency as servants of their respective precincts, creates an emergency and an imperative public necessity demanding that the constitutional rule requiring bills to be read on three several days in each House of the Legislature be suspended, and said rule is hereby suspended, and this Act shall take effect from and after its passage, and it is so enacted.

Special Committee Report.

Austin, Texas, March 17, 1925.

By Senator Parnell:

Hon. Barry Miller, President of the Senate; Hon. Lee Satterwhite, Speaker of the House.

Gentlemen: Pursuant to the substance, and authority conferred by S. C. R. No. 11, relating to sale of State property, we, your committee, have completed our work as far as we, during this session of the Legislature, will be able, and beg leave to submit the following report; Mr. Parnell, chairman, signing in behalf of the Senate, and Mr. Bobbitt, vice chairman, signing in behalf of the House.

Your committee has found that the sale and transfer of all properties and equipment composing the quarantine system of Texas to the United States government, all as provided and directed through Chapter 34 of the General Laws of the Regular Session of the Thirty-sixth Legislature of the State of Texas, known as H. B. No. 27 remains in suspense, because of a rul-

ing of the Comptroller General of the United States to the effect that a certain sum of \$90,071 appropriated by the United States government for the purchase of said property, being appropriated for the purpose of purchasing such properties as were specifically itemized in a certain inventory submitted by a joint commission of State and United States, could not be expended except in whole and for the property specifically itemized in said inventory, notwithstanding the fact that it has been established that the inventory of properties was in error in that the State cannot establish ownership of the lands upon which quarantine station equipment is located at Galveston, Point Isabelle and Laredo.

Your committee acting in conjunction with the committee empowered to make the sale and transfer, as appointed in connection with H. B. No. 27 of the Thirtieth Legislature, in an effort to consummate the sale and delivery, has submitted a proposition to the Surgeon General, United States Public Health Service, proposing sale and delivery to the United States government of all quarantine properties listed in the heretofore mentioned inventory, exclusive of the lands upon which the quarantine equipment rests at Galveston, Point Isabelle and Laredo, for a sum less than the amounts for which these lands were valued, as inventoried in the erroneous inventory heretofore referred to, proposing the sale and transfer of the whole quarantine property owned by the State of Texas for the sum of \$83,671.

Your committee recommends and urges that the commission consisting of the Governor, Attorney General and State Health Officer follow this matter up, completing the sale and delivery at the earliest date possible; since as the State is making no annual provision for the repairing and maintenance of the equipment and the United States government claims they cannot repair or maintain the equipment until there is a bona fide sale and transfer, the situation at some of the ports and some of the border points is becoming very serious, contiguous sections of the country being in immediate danger, and the whole State while less threatened, yet in material danger in case an epidemic of some contagious or infectious disease were to invade some of these ports for entry. At present the facili-

ties are wholly inadequate to properly safeguard this State against the entry of infectious and contagious diseases, the work in making quarantine effective is very greatly hindered, and the situation will continue to grow worse until the sale and transfer of the quarantine properties has been consummated.

PARNELL, Chairman.

BOBBITT, Vice Chairman.

By Senator Wirtz:

Whereas, It is now apparent that the official shorthand reporter, T. H. Burger, heretofore employed to report the proceedings had before the Senate sitting as a committee of the whole upon the resolution providing for an investigation of the prison system, together with the recommendations therein contained, will not be able by reason of want of time to transcribe and file with the Senate all of the testimony and proceedings had and taken thereunder prior to the adjournment of this session of the Senate; therefore,

Be it Resolved by the Senate, That the said T. H. Burger is directed within ten days after adjournment of the present session of the Thirty-ninth Legislature of Texas, to file with the Secretary of the Senate a full and complete report of all testimony adduced in all the hearings upon said resolution, and the Secretary of the Senate is directed to receive and endorse upon same when so filed by said T. H. Burger the date of the filing thereof with him.

The chairman of the contingent expense committee of the Senate is hereby empowered, instructed and directed to approve the bill therefor and to cause same to be paid in the usual and ordinary manner of claims to be paid out of the expense fund provided for that purpose for the Senate by this Legislature, and to do, and perform any and all things necessary for the payment of said claim as fully and completely as if the present Senate was still in session.

Simple Resolution No. 80.

By Senator Fairchild:

Austin, Texas, March 19, 1925.

Whereas, during the Thirty-seventh Session of the Texas Legislature, there was an Act passed creating the Board of Manager of the Texas State Railroad, running from Rusk to Palestine; and,

Whereas, under the provisions of the Act, Lieutenant Governor, the Hon. Lynch Davidson was president of the board, and J. A. Glen of the Gulf, Colorado & Santa Fe Railroad and E. C. Durham of the Texas Southeastern Railroad were appointed members of said board; and,

Whereas, the said railroad was then in a deplorable condition both financially and physically; and,

Whereas, the board of managers entered upon their duties and began the operation and rebuilding of said railroad until at present it is one among the best short line railroads in Texas; and,

Whereas, they are now and will continue the managing of said railroad; and,

Whereas, it requires a great deal of time on the part of the board of managers to successfully operate and manage the railroad, and these services are performed without compensation; and,

Whereas, John A. Glen of the Gulf, Colorado & Santa Fe and E. C. Durham of the Texas Southeastern Railroad Companies, are employees of the above mentioned railroads, and the time they use in the managing of of said railroad is graciously allowed them by the owners and managers of the above mentioned railroad companies because of their interest in the welfare of the State, knowing that their services have been and will be of untold value to the State in the management and operation

of the State's property; therefore,

Be it Resolved, That the Texas Senate express to the owners and managers of the above mentioned railroad companies our deep appreciation of the services of both John A. Glen and E. C. Durham, and to their willingness to permit them to serve the State.

The resolution was read and adopted.

Announcing Death of Charles A. Culberson.

Senator Bailey here arose at his seat and made an official announcement to the Senate of the death of Hon. Charles A. Culberson, which occurred at his late home in Washington, D. C., on this day. Senator Bailey paid a tribute to his friend of many years, and moved that a special committee composed of Senator Lloyd Price of Morris County, which county was Mr. Culberson's boyhood home; Senator Davis of Dallas, which place was his later home, and Lieutenant Governor Miller also of Dallas, and a warm personal friend of the late Senator, to draft a suitable resolution anent the life of Senator Culberson and to attend the funeral; that the resolution be incorporated in the permanent Journal.

Senator Bledsoe moved that Senator Bailey be added to the committee, which was adopted.

The motion was unanimously adopted by a rising vote.

After discussion, Senator Wirtz, by unanimous consent, withdrew his substitute.

Senator Wood offered the following substitute for the resolution:

Amend H. C. R. No. 19 by substituting therefor the following:

Whereas, the joint committee appointed by the House and Senate to investigate the penitentiary system has made reports wherein they make findings of fact as to mismanagement, irregularities and a failure to comply with many of the laws governing the penitentiary system; and,

Whereas, based on such findings H. C. R. No. 19 as adopted by the House calls for the dismissal of many officers and employes of the system; and,

Whereas, the testimony taken by said investigating committee, and by the Senate sitting as a committee as a whole, has not been transcribed and is not available at this time for members of the Senate to read and because thereof the members of the Senate do not feel that they should be called upon to vote on the matter of the changes recommended as to officers and employes; and,

Whereas, the investigation thus far as found by the committee shows that there exists irregularities and mismanagement that in the opinion of this Senate ought not to exist, but there should be a careful investigation made by the Governor who appoints the Prison Commissioners and who, under the law, is authorized to remove commissioners responsible therefor from office for misfeasance or malfeasance; and,

Whereas, the investigation has just closed and we have not the time to make the investigation and determine, conclusively, as to where the blame lies and who is most responsible therefor; now therefore,

Be it Resolved by the Senate, the House concurring, recommend that the reports of said committee and a transcript of all the evidence taken by both committees herein above named be furnished the Governor with the request that after careful consideration thereof the Governor take such action as in her judgment the situation may demand in the interest of the proper conduct and successful administration of the prison system.

The resolution was read and adopted.

The resolution, as substituted, was adopted.

House Request Return of Bill.

The Chair laid before the Senate a request from the House for the return to the House of S. B. No. 75 for further consideration.

Senator Wood moved that the request be referred to the Committee on Privileges and Elections.

Senator Berkeley moved to table the motion to refer, which motion was lost.

The motion was then referred to the Committee on Privileges and Elections.

 To the Members of the Thirty-ninth
 Legislature:
 Austin, Texas.

Most Esteemed Sirs: As you close a most eventful session I desire to express to you my earnest congratulations upon the result of your labors. Without the fear of contradiction, I want to say that this Legislature has been one of the most zealous and energetic bodies of modern times. Though there may be differences of opinion as to the propriety of some of your actions, I believe the people will agree that you have labored conscientiously and patriotically for their common good.

I desire to express to the membership my deep appreciation for their uniform courtesy and co-operation with the executive department. I regret that rush of official duties has not made it possible for the creation of a better personal acquaintance. I trust that further opportunity will present itself for even a more friendly relation.

I sincerely hope that your stay in Austin during the session has been a personal pleasure and satisfaction. I hope that absence from your home has not been the cause of any great personal inconvenience and that you will return to your loved ones and

firesides with the consciousness that you have served your State to the best of your ability. I shall with pleasure say to you good luck but not good-bye. May God be with you till we meet again.

With continued esteem, I am,
 Yours very truly,

By virtue of the authority vested in me by Senate Bill No. 451 to appoint the third member of a committee to take up the matter of handling the State iron ore proposition at Rusk, I hereby designate and nominate James E. Ferguson of Bell County.
